### **Uilleann Pipes**

#### **Prices 2022**

All prices are shown in EURO. To check prices in your local currency use the [Currency Converter](#): [www.xe.com](http://www.xe.com)

All prices are for Pipes made with Ebony or Blackwood Chanters/African Blackwood Drones and Regs'/Nickel Silver/Imitation Ivory. Other woods can be made available upon request and so if you would like a quote for pipes in other woods please contact me for a quote and availability.

For further Information please contact me at: ray@raysloan.com

Every set of pipes purchased comes complete with a full instruction sheet on reed maintenance and adjustment. In addition, if you purchase regulators you will receive a full instruction sheet on reed maintenance/adjustment and instructions on how to look after and keep your Regs' in tune. You will also receive general information on Pipe maintenance.

All Chanters are made complete with all of the necessary blocks for the addition of keys at a later date if required and come with a spare reed.
